EXHIBITOR GUIDE

Association of Water Agencies of Ventura County (AWA)

Kelle L. Pistone, Managing Director
5156 McGrath St, Suite 104
Ventura, CA 93003
(805) 644-0922
awa@awavc.org
www.awavc.org

AWA has over 49 years of experience operating as the region's largest water communication organization representing Ventura County's ten cities, unincorporated areas, over 156 water systems, agricultural, industrial and water related businesses. AWA is the region's "one-stop shop" for disseminating information, providing a forum for communication, emergency and disaster preparedness and educational consortiums for all levels from policy makers to operators. It is dedicated to its mission statement of "promoting and encouraging cooperation among the entities for the development, protection, conservation and improvement of the total water resources for Ventura County."

County of Ventura

www.ventura.org

The County of Ventura is comprised of 2,208 square miles, the county is comprised of 10 cities and numerous unincorporated communities represented by five supervisorial districts. Spanning 1.2 million acres, Ventura County's coastline stretches a stunning 42 miles with the Los Padres National Forest accounting for 46% of the landmass in the northern portion of the county. The County of Ventura is a general law county, governed by a five-member Board of Supervisors, elected at-large for a staggered four-year term in their respective districts, and the chairmanship rotates annually. General law counties adhere to state law as to the number and duties of county elected officials. In the state of California, there are currently 45 general law counties and 13 charter counties.
